*Pat - please include
in package.*
F

OK Thank you

Neville

The magazine of the optical society has send me for than 5 bills since I submitted a request for payment. The last one was 10 days ago. Please expedite payment. Thank you

Neville

Subject: Advanced Ultra-High-Capacity Optical paper
From: felman@mail1.jpl.nasa.gov at Internet
Date: 5/13/98 2:48 PM

Document Review is issuing you a clearance (CL 98-0767) for your paper "Advanced Ultra-High-Capacity Optical Random Access Memory and Pattern Recognition." It appears that your paper has already been published so clearance is issued Ex Post Facto. Would you be so kind as to make sure Document Review has a final version of your paper so that our microfiche will reflect the corrected document.

Thank you,
Faye Elman
